

# Invest now in space and staff

**Smaller class sizes  
will allow for  
social distancing  
and reduced  
social mixing**

The logo for the National Education Union is located in the bottom right corner. It consists of a dark blue diamond shape containing a circular pattern of small, light blue dots. The text "national education union" is written in white, lowercase letters, centered within the diamond.

national  
education  
union

**Invest now in the  
computers and  
wi-fi provision  
our pupils need**

**A free laptop  
for every child**

# Invest now in community testing

**Test school staff  
and pupils regularly  
to seek out  
the virus and  
isolate it fast**

# Dear Boris Johnson

I want schools and colleges open  
and I want them to remain open.

Lack of space and staff makes  
social distancing impossible.

Lack of regular testing makes it  
more likely that the virus will spread  
in schools and colleges.

If cases rise, our pupils don't have  
access to the IT equipment they  
need to learn at home.

To avoid school and college  
closures, your government needs to  
fund schools so that they provide the  
space, the staff, the equipment and  
the testing that they need.
